

How Dependent Are Canada's Exports on the U.S.?

U.S. share of merchandise exports · 12-month share (green) and monthly (grey) · Latest: June 2026

Notes: Exports to the United States as a share of exports to all countries, balance-of-payments basis, seasonally adjusted. Green line = trailing-12-month share (sum over sum); grey = single months. Shaded: recessions (C.D. Howe Business Cycle Council).
